

WELCOME

To Kiplin Hall

*Four families have lived
at Kiplin during its 400
year history.*

Calvert 1620 – 1722

Crowe 1722 – 1818

Carpenter 1818 – 1957

Talbot 1937 – 1971

The Hall and Gardens tell stories of their lives here in North Yorkshire and the marks they made around the globe. The story continues today, with a team of staff and volunteers continuing to care for Kiplin now and for many years to come.

Meet the families who lived here across the hubs in this room. Then embark on your journey around the Hall and Gardens.
